

Institute for Person-Centered PRACTICES

A journey of *discovery*...
what is **important to** the person is just as vital as what is **important for** the person.

A collaborative initiative between the Texas Center for Disability Studies at the University of Texas, the Center on Disability and Development at Texas A&M University.

Person Centered Thinking Training:

This training will provide an overview of person centered planning practices as well as a review of some of the tools and templates utilized to gather the information necessary to create a person centered plan. For more information go to the Institute for Person-Centered Practices at <http://www.person-centered-practices.org>
