

CrossWalk Houston

I am thrilled to announce that CrossWalk Houston is bringing ESL classes onto Spring Forest Middle School this month. By offering classes on campus, CrossWalk partners with the district's E3 initiative to engage, educate and empower parents. CrossWalk is also working alongside Family Point Resources to build relationships with the adult community in the area. We are beginning monthly potluck dinners and looking for other opportunities to serve. Here are ways you can support CrossWalk Houston.

Become a volunteer ESL teacher. (No foreign language necessary)

Come to a potluck dinner; bring your favorite recipe.

Share an expertise with CWH adult learners.

Sign up to work at the center for One Great Day of Service.

Organize a girls' group for Thornwood Elementary.

Teach basic computer skills.

Lead citizenship course.

Ask me to speak to your class.
