

High School Workcamp Information

June 10-16, 2018

Here's some basic information that will hopefully answer some of your questions concerning High School Workcamp! If you have other questions after reading this, please email Carrie Neal (carrieneal.tx@gmail.com).

- Students check in at 8 AM on Sunday, June 10th, in the MDUMC gym.
- We are going to be staying in Woodsboro, TX this year at their High School. We will be staying in gyms and the floors will be hard. Send them with an inflatable air mattress or camping pad. They will need a pillow and sleeping bag or sheets and blankets.
- We will work in Woodsboro and Refugio (they are about 10 minutes away from each other) Monday-Thursday on different work projects. Work may be messy so send old clothes and shoes. Most of our projects this year will be centered around doing some hurricane relief. Students sign up for the work projects on Sunday night.
- Each night we will have amazing Worship and meet in small groups led by our summer college staff. The small groups are divided by gender and are mixed with each grade. Your student can request people to be in their group on the registration form.
- Friday is our fun day. We will go to a nearby lake or beach to spend the day, depending on what is close to where we are. That night when we return we will have a talent show and dance.
- Saturday we will pack up and head back to Houston. We will return between 1 and 2 PM.
- Our High School Workcamp Celebration is Sunday, June 17th at 6 PM in the Journey Contemporary Worship Center (13186 Memorial).
