

## October Newsletter

CrossWalk Houston is always looking for new ways to engage and support our community. We will be taking volunteers and curriculum to three campuses in Spring Branch this year. We are also hosting Dads & Donuts in October at Thornwood Elementary; partnering with the school to bring fathers onto campus for parenting opportunities. Your generous donations to CrossWalk Houston allow for these and many other outreaches in our community.

CrossWalk can stretch further to bring the love of Christ and MDUMC into our community with more volunteers and more dollars. Consider joining the CWH volunteer team and/or supporting CrossWalk Houston with a financial contribution.

We are also celebrating two former students who were recently sworn in as United States Citizens! Irma Moreno and Emerson Hernandez successfully participated in a CWH Citizenship course led by Ric Smith. Irma is giving back by volunteering her time in our current citizenship class.

The Outreach Center of West Houston is hosting Leadercast Women at the Journey on Friday, October 26<sup>th</sup> from 9 am – 3 pm. Many of today's most influential and successful women will encourage and inspire women to reach their fullest potential. For more information on Leadercast or tickets go to [women.leadercast.com](http://women.leadercast.com).
